Young Artists Camp

June 22nd- July 3rd

Discover the artist in your child! Creating art expands children's abilities to interact with their environment. Students will enjoy various art activities while developing a set of skills for self-expression and communication.

Camp Teacher: Sydney Gillette

Intro to Musical Theatre Camp

July 6th - 17th

If your child is interested in theatre life, this is the camp for them! Students will learn singing & acting skills during week one, before attempting to put on a show during week two. Enhance your child's confidence through acting, singing, or simply public speaking.

Camp Teacher: Aidan Lenehan

Science & Nature Camp

July 20th - 31st

Students learn to appreciate science and nature, while enjoying the warm outdoors during summer. They'll enjoy fun activities that aim to engage all their senses, promote curiosity, and enhance fine motor development, as well as teach responsibility, planning, commitment, and patience.

Camp Teachers: Donna Furmanek and Maria Carandang-Ramos
