Science & Nature Camp

June 21st to July 3rd

Students learn to appreciate nature and gardening while enjoying the warm outdoors during summer. They'll enjoy fun activities that aim to engage all their senses, promote healthy eating, and enhance fine motor development, as well as teach responsibility, planning, commitment, and patience.

Young Artists Camp

July 5th - 16th

Discover the artist in your child! Creating art expands children's abilities to interact with their environment. Students will enjoy multimedia art activities while developing a set of skills for self-expression and communication.

Intro to Musical Theatre Camp

July 19th - 30th

If your child is interested in theatre life, this is the camp for them! Students will learn singing & acting skills during week one, before attempting to put on a show during week two. Enhance your child's confidence through acting, singing, or simply public speaking.

Sports Camp

August 2nd - 13th

Is your child interested in enhancing their athletic abilities? Try sports camp! Students will get a chance to learn new sports while having fun with their classmates. They will also gain knowledge of their range of motion, balance, muscle strength, coordination, and endurance.
