Sports Camp: June 20th - July 1st

Is your child interested in enhancing their athletic abilities? Try sports camp! Students will get a chance to learn new sports while engaging in teamwork with their classmates. They will also practice motion, balance, muscle strength, coordination, and endurance.

Science & Nature Camp - July 5th - 15th

Students will enjoy the warm outdoors during summer, while learning more about nature and exploration. They'll work on fun activities that aim to engage all their senses, promote healthy eating, and enhance fine motor development, as well as teach responsibility, planning, and patience.

Around the World Camp - July 18th - 29th

Get to know more about the various cultures of the world through exploration of traditions and activities! Students will get to practice hands-on cooking skills while learning about different parts of the world through music, reading, and art.

Intro to Musical Theatre Camp - Aug 1st - 12th

If your child is interested in theatre life, this is the camp for them! Students will learn singing & acting skills before putting on a show during the second week. This is a great opportunity to boost your child's confidence through acting, singing, or public speaking.
