SPORTS CAMP - T Ball: June 16 to June 27 (no camp on June 19th)

During this camp, students will be introduced to the fundamentals of baseball and softball in a fun and engaging environment. T-ball is a non-competitive program that emphasizes fitness and skill development. Children will benefit by improving hand-eye coordination, building confidence, strengthening friendships while working toward a shared goal, and learning the importance of teamwork.

ART CAMP: June 30 to July 11 (no camp on July 4th)

Spark your child's creativity! This camp invites young minds to explore the works of iconic and contemporary women in art through engaging creative activities. Budding artists will experiment with paint, charcoal, and various other mediums, culminating in an art exhibit where they can proudly showcase their masterpieces.

10 DAYS AROUND THE WORLD CAMP: July 14 to July 25

Welcome to *10 Days Around the World*, a one-of-a-kind summer camp where campers embark on an exciting adventure exploring diverse cultures, delicious cuisines, and vibrant arts from around the globe. Through hands-on activities, culinary experiences, and creative expression, this camp offers a dynamic way for young minds to gain a global perspective while celebrating the beauty of our world.

THE ART OF MOVEMENT AND DANCE CAMP: July 28 to August 8

The Art of Movement Dance Camp is an engaging and imaginative summer camp designed for preschoolers to discover the joy of movement through dance! Through playful, age-appropriate activities, children will enhance their coordination, rhythm, and motor skills while expressing themselves creatively. This camp introduces young dancers to a variety of styles, from upbeat jazz and fun hip-hop to elegant ballet, all in a supportive and energetic setting.

2025 Toddler Community Montessori Summer Camp

Ages 2 - 3

Our eight-week Toddler Community Montessori Camp (June 16 – August 8) offers a nurturing extension of the home environment, focusing on order, communication, movement, socialization, and sensory exploration.

Under the guidance of a trained Montessori mentor, children will engage in independent learning while also developing essential skills through hands-on activities of daily living.
